The Child Safe Adult Code of Conduct outlines appropriate standards of behaviour for all adults in the College environment towards students. It serves to protect students, reduce any opportunities for abuse, risk of harm or harm to students to occur, and promote child safety in the College environment. It provides guidance on how to best support students and how to avoid or better manage difficult situations.

It is the College's policy that any breach of the Child Safe Adult Code of Conduct is a child safety incident that must be reported internally. Any breach that meets the threshold for external reporting must also be reported to the relevant external authority.

For more information, refer to [Procedures for Responding to and Reporting Child Safety Incidents or Concerns](#).

The College reviews the Child Safe Adult Code of Conduct annually. The College Board has endorsed the Child Safe Adult Code of Conduct.

The Child Safe Adult Code of Conduct is published on our public website.

Our Child Safe Program also includes a [Staff and Student Professional Boundaries Policy](#) that provides detailed guidance for all Staff, Volunteers, Contractors and External Education Providers on how to maintain professional boundaries between students and adults at Navigator College.
