FROM THE SENIOR SCHOOL
Air always it has been a busy couple of weeks in the Senior School. Friday 23rd was the last day for Year 12 students before exams. On Friday during chapel our community celebrated the learning our Year 11 students gained on the Service Learning trip to Indonesia. Each participant shared the impact the trip had on them. During the service our community were taught a new song and actions that were learnt with our time at SMAT Sondi Raya our partner school. Everyone joined in the activity and a lot of laughter was heard. Thank you Year 11’s for your service and to the Year 12’s: good luck with exams.

Dorit Black, Hans Heysen & Quennie McKenzie just to name a few. After completing a study of the artists, the students began planning their own landscape painting implementing a combination of the techniques used by these artists.

Positive Education:
During the Positive Education Program which runs each Wednesday afternoon, the Year 7 students have been planning how they could demonstrate service by involving themselves in a range of activities which would benefit others in the Port Lincoln community. The Year 7 Students recorded their suggestions listing what activities may be appropriate for them to begin. Some of the activities include: collecting old & new toys to wrap & donate to charities for Christmas, washing cars at the college, helping out in the school gardens/grounds & also making placemats which will be donated to recipients of Meals on Wheels. The students have been very excited about their service learning and are excited to be able to share their skills to help benefit others in the community.

FROM THE YEAR 6/7 CLASSES
Visual Art:
During Visual Art this semester the Year 6/7 students have been studying the artwork of Peter Clark. Clark is a collage artist who uses a variety of mediums and techniques to complete his works. The students began by researching and completing a biography of Peter Clark, then went onto planning their own Peter Clark inspired animal collage. In the second part of the semester the students began studying a range of Australian artists who demonstrate a variety of painting techniques in their work. Some of the artists included: Ken Done, Pro Hart, Ben Quilty.

Abigail’s second time participating in the Foundation Cup, and Charlotte’s third consecutive year. The competition was held in Beem again this year, from 6th to 10th October, predominantly on grass courts. The 13Under teams both placed 4th out of the 6 regions, and the 13Under girls team placed 5th. Charlotte advanced to the quarter finals of the individual tournament, narrowly missing out on a spot in the State Regional Tennis team to a previous State player from the Riverland. These students showed great sportsmanship during the tournament.

NAVIGATOR STUDENTS REPRESENT PORT LINCOLN IN FOUNDATION CUP FOR TENNIS
The Navigator College students Joseph Harris (13/U boys), Charlotte Nicholls (13/U girls) and Abigail Nicholls (15/U girls) were chosen to participate in the Foundation Cup Regional Tennis Tournament. These students were selected from a tournament held in Port Lincoln in March. This was Joseph and Abigail’s second time participating in the Foundation Cup, and Charlotte’s third consecutive year. The competition was held in Beem again this year, from 6th to 10th October, predominantly on grass courts. The 13Under teams both placed 4th out of the 6 regions, and the 13Under girls team placed 5th. Charlotte advanced to the quarter finals of the individual tournament, narrowly missing out on a spot in the State Regional Tennis team to a previous State player from the Riverland. These students showed great sportsmanship during the tournament.

NAVIGATOR STUDENTS REPRESENT EYRE PENINSULA FOR NETBALL
The Navigator College Students: Makayla Siegert (U17’s), Keelin hier (U17’s), Charlotte Nicholls (U15’s) and Molly Burns (U13’s) were selected to represent Eyre Peninsula at the SA Regional Academy Championships. The teams were selected from the Eyre Academy trials which commenced in February, and were attended by players from the five Eyre Region Netball Associations. Selected players trained monthly in Waurnina until September.

The competition was held at the Netball SA stadium in Adelaide from 28th September to 1st October, and was attended by teams from the State’s regional netball academies. The under 17’s won only one game, had one draw and 6 losses, to finish 8th overall, but the girls gained valuable experience and made lasting friendships. The under 15’s were unlucky to miss out on finals, with 2 wins, 3 draws and 3 losses, finishing 5th overall. These students showed great determination and sportsmanship throughout the Carnival.

FROM THE PRINCIPAL Kaye Mathwin-Cox
Twilight Markets a Huge Success!
The Twilight Markets is one of our two major fundraising events and was held last Friday evening, the 23rd of October. To me the best aspect of the Twilight Markets is the fellowship that comes about through the meetings leading up to the event but especially the enjoyment of the night. It is so wonderful to see the laughter, the fun and the smiles on the many faces during the evening. That’s what community is about. It’s that time spent together in an environment that builds one another and in turn grow the school. A huge $12,300.00 was raised on the evening which is awesome but, to me, the greatest delight was the community feeling. That’s what Navigator College is all about.

IMPORTANT DATES
Monday 2nd November
Year 12 Exams Begin – 2 weeks
Monday 2nd November to Friday the 6th November
