COMMUNITY Jenni Morel

Three weeks into school and there have been many wonderful exchanges between students, parents and staff. Each day I am part of conversations where we can listen and encourage others. In doing this we are building each other up, and helping each other to achieve our God given potential. My encouragement is for you to remember the blessings of being part of our community and, as we focus on the great things happening around us, we fulfill God’s word.

Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things.' Philippians 4:8

FROM THE PRINCIPAL Kaye Mathwin-Cox

It was an awesome atmosphere at the Cummins swimming pool last Thursday where we held our Middle and Senior School SPLASH Swimming Carnival. The students participated with great enthusiasm and supported one another in both competitive and novelty events throughout the day. Congratulations must go to the organisers, Mr. Maxfield, Miss Pearson and Miss Prout on an excellent and efficiently run Carnival and a huge pat on the back for the House Captains for supporting the staff and their teams during the day. It was wonderful to see the collegiality between students and the great sportsperson-like attitude coming from all who participated. Well done.

The new Trades Skills Centre is beginning its use with some classes taking residence for lessons, including Playgroup, held in the childcare section last week. Please check your diary for our Opening of the Trades Skills Centre and the Senior School and Administration building, to take place on Friday the 13th of March with many invited guests and dignitaries.

Please also refer to the back page of this Newsletter for the installation of the College Captains and Prefects, conducted at our Opening Chapel.

FROM THE SENIOR SCHOOL Stuart Cox

A New Year of optimism and enthusiasm.

2015 marks many milestones for students in the Senior School. New students entering Year 10 are now seeing firsthand the operations of the Senior School and the new Year 12’s entering their final year of schooling. This year we welcome not only the students who have been at Navigator College in the past year, but we also welcome those students who are new to the school and beginning a new chapter in their respective year level. We are excited to offer new curriculum in VET Health Support services and SACE, Psychology, and Economics. The opening of the Trades Skills Centre will present greater opportunities for our students and others wishing to access the curriculum in the Health and Community Services areas. Therefore our year begins with optimism and enthusiasm and we are proud to be a part of this wonderful place.
COLLEGE CAPTAINS AND PREFECTS INDUCTION  
Kaye Mathwin-Cox

Congratulations again to our College Captains & year 12 Prefects who were announced at the End of Year Service in 2014. These Leaders were chosen by our staff and students considering the criteria of: leadership, responsible behaviour, effort in academics, impeccable appearance and service to others. We wish you well with your 2015 leadership and look forward to witnessing each of you growing in these most important leadership positions.

UNIFORMS Reminder

It is great to see the high level of compliance with uniform. However, it is often the small things which cause the most angst. Please take the time to check the requirements carefully. Teachers will be monitoring this extremely closely in an effort to develop consistency across the whole school. We have a strict Uniform Policy so that:
• We develop a sense of pride in our school
• The uniform does not discriminate between students’ socio-economic backgrounds
• The cost overall reduces the expense of other clothes
• Teachers and Staff can easily identify strangers to the school
• We show a united image to our extended community.

Thank you in anticipation.

SPLASH CARNIVAL RESULTS

Hipparchus
Hadley
Galileo
Magellan

At the end of the day the results were as follows; 1st place: Hipparchus, 2nd place: Hadley, 3rd place: Galileo, 4th place: Magellan. The overall success of the day can be measured by the large number of smiles seen on the faces of both staff and students. Many thanks are due to the college staff for their effort on the day, bus services for transporting students safely to the venue and the Cummins pool committee for providing their quality venue and service.

Congratulations to Greg, Carlyn, and Hannah as well as all MS & SS staff for their time, energy, organisation and commitment into the Splash Carnival.

Please note that the SRC and House Captains Badges will be presented this Friday at Chapel.

HOMEWORK CENTRE

The homework room is open Monday to Thursday, 3.10pm to 4.30pm for Middle and Senior School students ONLY. This year it will be held in Classroom 8B, Cluster 4. Homework policy and agreement forms can be requested from the front office or downloaded from the website under the ‘FOR PARENTS’ tab, Policies.
