CREATING ZEAL  LeeAnn Brook

Zeal: ‘great energy or enthusiasm in pursuit of a cause or an objective’.

I would like to share an article by Doreen Madere.

Romans 12:11  Never be lacking in zeal, but keep spiritual fervor, serving the Lord.

This scripture reminds us that we should never be lacking in zeal. Our first thought is probably “some days we are just doing good to be here”. “Fervor” means passion, warmth, earnestness and fire. We all know someone who seems to never run out of zeal and will feed off his or her fire when we are around them. It can be the same way in our classrooms. If we have a burning fire of enthusiasm and a passion for what we are doing then our peers and students will feed off that fire and catch our zeal. Where can we get this kind of zeal? Consider how we carry out the attribute of maintaining abundant zeal in our daily environment.

Prayer: Father give us passion and enthusiasm for what we are doing. Make our passion burn so brightly that the flames cannot be extinguished. Amen.

FROM THE PRINCIPAL  Kaye Mathwin-Cox

Whilst we are still in Term 2, this week marks the beginning of a new Semester at Navigator College and we wish all our students every blessing as we begin the next half of the school year. Semester 1 (Term 2) Senior and Middle reports will be posted online throughout this week and the Junior reports sent home with students on Friday. The students have had positive results which is a credit to their hard work and diligence during the first half of the year. I thank my staff for their commitment to our student’s learning.

Last Friday we sadly bid farewell to our Indonesian visitors Julven, Era and Asfeny who now travel back to Pematang Raya, however, the seventeen Year 11 students will soon see them again later this year when they embark on their Service Learning trip to teach English at the SMA GKPS school, Sondi Raya. Era, Asfeny and Jul were a wonderful addition to our school over the past 3 weeks as they worked with our staff and students, teaching them about the Simalugan culture of North Sumarta. In return they were able to improve their English speaking skills and, being immersed into our school studied alongside our staff and students. It was wonderful to have them with us. Please note the Chapel each week go towards enabling these visits.

Prayer: Father give us passion and enthusiasm for what we are doing. Make our passion burn so brightly that the flames cannot be extinguished. Amen.
WEATHER DIDN’T DAMPEN MIDDLE SCHOOL’S “CALL OF DUTY” NIGHT

Last week the Middle School SRC hosted a laser skirmish night. The SRC worked hard to build an indoor and outdoor course. The night was very enjoyable with adventurous laser tag games, bonfires, marshmallows, a sausage sizzle and Minute to Win It games. Even though the weather didn’t feel like cooperating, the students still remained positive. After a very entertaining night, it was lights out for the keen campers. By the time morning had come around, the weather was sunny and calm for our pancake and hot chocolate breakfast. With the help of everyone the Call of Duty night was packed up, ready for the next day of school. As one of the Middle School Captains and on behalf of the Middle School students, I would really like to thank the parents, teachers and students that contributed to this fantastic night.

Shanley O’Brien – Middle School College Captain.

CASUAL DAY FRIDAY LAST DAY OF SCHOOL TERM 2

YEAR 1’s HEAD TO THE EFM GYM
Pictured are the Year 1’s using the EFM Gym (on College grounds) with Mel Semmler. This visit was part of their Balanced Choices Inquiry Unit for PE this term.

PARENT INFORMATION NIGHT – YEAR 5 EXHIBITION
In order to support the Year 5 learning, we are holding an Exhibition Information Night to inform parents about the Exhibition process, on Thursday the 25th of June at 7pm in Cluster 3. It is important that parents/caregivers attend to be able to understand the changes to the timetable and expectations of students during this time.

SCHOOL PHOTOS
SRC, House and Vice House Captains, College Prefects and College Captain group photos are available for purchase at the Front Office.

CONGRATULATIONS TO OUR STATE REPRESENTATIVES!

We would like to congratulate the following two students for representing South Australia as part of the Pacific School Games, contested in Adelaide from the 20th - 29th of November 2015.

India Copland Left
Ellie McInerney Right

This national level competition will host visiting schools from twelve Pacific Nations, along side teams from every Australian State and Territory. The Navigator College Community wish them all the best in their preparations leading up to this event. This is a huge honour for these students! Well done.
