TAKE TIME TO SLOW DOWN

As the end of the school term approaches, along with the end of the school year, emotions are high. Staff, students and parents are all feeling tired and are ready for our summer break. One of the most challenging things to do in this time, is to slow down and stay positive. When you go too fast, you think too fast, talk too fast, eat too fast and it feels like the rest of the world is spinning out of control.

Take the time to slow down, even for just a few minutes. Stop and enjoy that cup of coffee, chew your meals slower, go for a walk. As your mind slows down, it will become easier to think things through clearly again. It will be easier to stay positive. Use the Lord as your strength.

FROM THE PRINCIPAL

Kaye Mathwin-Cox

This Friday the staff will be celebrating our many Volunteers with a morning tea to thank all the people who help make this College the amazing place it is. In a growing school volunteers make such a difference to the overall community as they support all our staff to undertake those extra activities that we can sometimes find difficult to achieve. We have volunteers at Navigator College who help in so many ways, from work in the library, reading, excursions, prayer groups, facilities as well as in the classroom. To our volunteers, please take this small gift of fellowship on this day as a heartfelt thank you from all of us.
The Play Pod – a hype of activity at Recess and Lunch!

This week saw the launch of our Junior School Playpod. Various scrap materials have been donated to the school and at recess and lunchtime the students have used these materials to transform their play. Using their imagination, the students have created amazing structures and in doing so have solved problems together collaboratively. Playtime in the Junior School has certainly taken on a very creative and imaginative slant and student have enthusiastically engaged with their new equipment.

LOST AND FOUND

The lost and found basket is overflowing with items such as Drink Bottles, Lunch Boxes, Navigator Hats/Jumpers/ Jackets and personal items.

IF YOU ARE MISSING SOMETHING PLEASE COME AND COLLECT?

ELC TRANSITIONS

The Early Learning Centre has been running their Transition Program for the 21 children who will be attending next year. The Centre will open its doors officially on Monday the 1st February 2016. Kelly Freeman and Melissa Little will be teaching a hands on approach to learning and making the most of the fantastic outdoor learning space.

There are still some spaces available for Term 3 ELC intake next year and we welcome anyone who would like to tour the Centre.

PREPARING FOR THE BUSHFIRE SEASON

Student bus user (DECS, Tumby and Cummins Bus Runs) and staff were involved in CFS training yesterday, preparing them for the bushfire season. Students/Staff were put in a ‘real life’ situation on the bus (even with fake smoke within the cabin) to practice their BAP (Bushfire Action Plan)! Thank you must go to Therese, Greg and Kylie from the CFS who conducted this training in their own time.

WE ENCOURAGE EVERYONE TO VISIT THE CFS WEBSITE AND PREPARE YOUR FAMILY FOR THE UPCOMING SEASON.

The lost and found basket is overflowing with items such as Drink Bottles, Lunch Boxes, Navigator Hats/Jumpers/ Jackets and personal items.

Students are not visible - they are crouched down low, like they would be in a real life situation.
