FROM THE PRINCIPAL Neville Grieger

I regard it as a special privilege to be given the opportunity to lead Navigator College into the next chapter. I would like to thank the College Council for the confidence shown in me to take up the challenge of leading the College forward from this point.

Before starting out, I would like to pay tribute to the inaugural Principal, Kaye Mathwin-Cox who has passionately, and skilfully guided the establishment of the school to this point as one of the benchmark examples of an authentic Lutheran School in Australia. I am also grateful to Kaye and many staff at Navigator, who have helped to make the change in principal-ship at the College a relatively seamless transition.

I have enjoyed the opportunity to briefly say hello to many parents and care-givers in recent days. I would however offer an open invitation to you all to have a more extended conversation by booking an appointment time through my PA (Principal’s Assistant) Amy Heidenreich.

Please email Amy aheidenreich@navigator.sa.edu.au or ph. 8682 5099. I am particularly keen to listen to the voice of parents/caregivers and seek your input, as we embark upon the task in coming months, of further clarifying and shaping the future directions of the College.

BORN FOR MORE Andrew Jericho

It is a privilege to serve God in a Lutheran College, for that matter in any aspect of life as a believer. You see, the living God has called us to bring the good news! We were all born for more than to ‘make it through life’. When we walk with God, He invites us to participate in the outworking of His great exchange. An exchange where God takes the brokenness of our lives and exchanges it for comfort, healing, freedom, beauty, joy and praise. God’s great mission has always been about bringing hope, life and love. He is calling every one of us to receive the free gift he offers through Jesus, and join the movement that is helping others experience God’s great exchange.

The Spirit of the Sovereign Lord is upon me, for the Lord has anointed me to bring good news to the poor. He has sent me to comfort the broken hearted and to proclaim that captives will be released and prisoners will be freed.

2 He has sent me to tell those who mourn that the time of the Lord’s favour has come, and with it, the day of God’s anger against their enemies.

3 To all who mourn in Israel, he will give a crown of beauty for ashes, a joyous blessing instead of mourning, festive praise instead of despair.

Isaiah 61:1 – 3

HAPPENING IN THE MIDDLE SCHOOL Andrew Jericho

George Couros makes a statement “If we want meaningful change, we have to make a connection to the heart, before we make a connection to the mind.” This is why culture and relationships are an incredibly important part of your child’s education at Navigator College. Schooling should be fun, and the relationships between staff and students should be an expression of the care, compassion that allows everyone to feel they belong. When these relationships shape the environment for learning... what a great experience it will be.
