FROM THE PRINCIPAL Neville Grieger

It is a rare privilege for a school leader to have the opportunity to be involved with the development of a new school in the 21st century. This week we begin the task of listening to the voice of the College community, as we together, work at shaping a shared vision for the future directions of Navigator College from this point - exciting times!

I also look forward to developing a positive collegiality with the educational leaders in other sectors in Port Lincoln. We are all in the same business, in the same community, the business of making a difference in the lives of young people and families, so that as our students graduate from our schools, they are equipped to make the world around us a better place for all.

Last Friday we celebrated LSO day at Navigator College (LSO in our school system means: Lutheran Schools Officer — the broad term that covers all categories of our non-teaching staff). Teaching staff put on a morning tea and paid tribute to our dedicated team of support staff, who provide day in and day out, dedicated, selfless service to our community.

FROM THE JUNIOR SCHOOL Stephen Jude

As part of Navigator College’s International Baccalaureate Primary Years Program, we want our students to develop certain attitudes. The attitudes we want them to develop are curiosity, co-operation, creativity, commitment, appreciation, confidence, empathy, enthusiasm, independence, integrity, respect and tolerance.

As our students engage with the curriculum and learning experiences, they are “developing attitudes towards people, the environment and towards learning... that contribute to the wellbeing of individuals and to the group” (IB, 2009). It is exciting to witness the development of these attitudes in our learners, and the subsequent impact on their interactions and environment.

STUDENT AWARDED A DUKE OF EDINBURGH MEDAL

Navigator is blessed to have students with a wide variety of interests and pursuits. One Year 10 student, Abigail Nicholls, has taken this to a higher level. Abigail recently completed the ‘Duke of Edinburgh Bronze Award’. She was presented with her award at a presentation to the Middle/Senior School on Friday 13th May.

The award is centred around 4 key areas: Service, Physical Recreation, Skills, and Adventurous Journey. Abigail successfully logged all of the activities and skills, including piano lessons and the Yr. 9 City Week camp in 2015. Abigail is now embarking on achieving the Silver Award and we wish her all the best for her journey towards this goal.

Any young person who is interested in the Duke of Edinburgh Award can contact Colin or Krispy at the Community Learning Centre on Edinburgh Street, Port Lincoln or phone 8682 1409.

ERRAPPA PROVIDED YEAR 8 STUDENTS WITH PLENTY OF CHALLENGES!

Last Wednesday, the Year 8 students went to Errappa Blue Light Camp. Over 3 days students completed orienteering and conquered high ropes, flying fox, rock climbing and laser tag. It was great to see students face their fears and take on the well known “Leap of Faith”!

Taylah Newman reported: “This camp was fun, challenging and exciting and we will have lots of memories from our awesome time at Errappa! The Laser Tag evening was definitely one of my favourite parts of the camp”.

UNIFORM SHOP
Tuesday and Wednesday 8.30 - 10.30am
Thursday 2.30 - 4.30pm

You can also download the order form on the website under ‘For Parents / Uniform Shop’ and send with your child to school (VISA payments/cash only). The ordered item/s will be returned through the hom class trays to your child, on the next day the uniform shop is open.

One of our innovative parents has started a FaceBook Page for the sale of Second Hand Uniforms. It is a closed group page, so you must be accepted by ‘administration’ before you can view posts. We do ask that this page be kept for uniform sales only and any comments should be directed through the front office.

ERRAPPA PROV IDED  YEAR  8  STUDEN TS  WI T H  PLE NTY  O F  CHALLENGES!
