COMPASS

...directions for life

FROM THE PRINCIPAL *Neville Grieger*

Our Navigator Chapter 2 Future Directions night held recently was very strongly supported by parents. Such has been the response and the comments received since, that we have scheduled another night to re-run the session. We invite all of our families who were unable to make it to the first night to come along on Monday June 20th. We will gather upstairs in the Senior School building at 7:30pm. To assist us with planning for the evening, it would be helpful if you could phone or email our Promotions Officer (Di Moseby) Dmoseby@navigator.sa.edu.au. The purpose of the evening is to share some of my background and experiences with the school community to help us get to know each other, as well as outlining the process that we will soon be commencing, to shape the future directions for the College as we move towards the next decade.

FROM THE JUNIOR SCHOOL *Stephen Jude*

As part of being an International Baccalaureate school delivering the Primary Years Program, Navigator College is required to participate in an evaluation every four years. Staff are currently reviewing all the standards and practices associated with being an IB world school. Effectively they are conducting an inquiry into the practices that are essential for success as an IB world school. This level of rigor and accountability means that we are always striving for improvement. This review will result in an action plan to implement over the next four years. As part of this process, staff and students will have the opportunity to share their experiences and feelings about the IB program and its delivery. Please stay tuned for this opportunity to have your say, as we lead up to our IB PYP Evaluation.

MUSIC PROGRAM HAS BIG PLANS!

Music is best experienced by actually doing it. You wouldn't do 'IT' without a computer, and we believe you shouldn't do 'Music' without an instrument! For this reason we are investigating and working towards a band immersion program to begin in the Middle School, which will not only give Navigator students the opportunity to play a woodwind or brass instrument, but will provide pathways into Senior Music. It will also enhance our extra-curricular music program with the view to potentially touring with our ensembles. Watch this space in the coming months for details!

We thank our Senior Chapel Band students (photo) for their commitment and service to the school community last term, by playing each Friday morning at Chapel and want to acknowledge the hard work of the Middle School Band who are currently sounding great at each Chapel service on Fridays.

OUR VISITORS RETURN HOME

On Friday the 3rd of June, we farewelled our Indonesian visitors from our sister school SMA GKPS1; Sonta, Harianty and Novelia. It has been a wonderful experience for all, sharing language and culture, learning, friendship and faith. We are looking forward to our visit to Indonesia with our Year 11's in Term 3.
