

WELCOME TO TERM 2

FROM THE PRINCIPAL Stephen Jude, Principal

With many public holidays in the recent school holiday period, it was a wonderful opportunity to reflect on the significance of the reason for these public holidays. Firstly with the Easter break and then with the Anzac Day public holiday. These two events have a common thread, the concept of Sacrifice. Easter celebrates the sacrifice of Jesus, who over 2000 years ago offered up His life so that we may have eternal life. Whilst Anzac Day we stop to remember those who sacrificed their life in times of war so that we can rejoice in the freedom we receive today. As our student leaders laid wreaths at various memorials throughout the Lower Eyre Peninsula, I am reminded of the incredible blessing it is to live in the freedom of our resurrected Lord and experience the freedom of this wonderful country we call home.

May we always remember.....Lest we Forget.

FROM THE SENIOR SCHOOL Jamie Fewster, Head of Senior School

Easter is a great time to stop, spend time with our families, and recharge a little bit over a four-day weekend. Perhaps more importantly it is a chance to reflect on the sacrifice of Jesus on the cross, and his resurrection. This event is the reason that we are here today as a Lutheran School – providing quality, Christian education to the families of the Eyre Peninsula. Whatever you found yourself doing over the Easter break I pray that it was a blessing to you and to your families.

Another event occurred in the holidays – ANZAC Day. I was both humbled and privileged to attend the Cummins ANZAC Service with 3 of our Student Leaders (Amelia Baldock, Taylah Newman - Yr. 11 Prefects, and Bailey Newman - Junior School College Captain). It's an amazing opportunity that we have as a College to share in the ANZAC Services across the Lower EP, and remember with thanks the sacrifice that many EP residents made (and continue to make) in times of war.

Term 2 is shaping up to be an amazing term with many opportunities to learn and serve. On Friday 3rd May we welcomed our guests from Indonesia – Julven, Dya and Franz. We celebrate the continuation of our partnership with SMA GKPS in North Sumatra, and we pray that their 4 week stay here in Australia is a blessing to them. We also look forward to events such as the Year 10 Retreat, Year 12 Retreat and the various sporting carnivals that are happening. I pray that you have had a restful break and are ready tackle Term 2 with excitement and energy!

FROM THE JUNIOR SCHOOL Ally Barclay, Head of Junior School

Welcome back to the second term of our school year. I would like to make an extra special welcome to Porter and Cyan along with their family, as they have joined us this week in the Junior School. Thank you to those members of our Navigator community who have already been able to provide our unique and warm welcome to them.

We have many events upcoming on our Term Two calendar. Please take time to look at upcoming calendar events in our College, especially how they relate to you. If you have not downloaded the College App on your phone I would encourage you to do this, as it is a great way to stay informed, particularly for upcoming events and reminders. Next week our Year 2 learners have their very first camp. We also have both Year 5 classes making a trip to DK Quarries on Monday, this being a provocation for their Unit of Inquiry.

If you have not had a chance to join us yet for Junior School Worship it is on Thursday mornings after the morning drop off in Mangiri. We would love to see you there!

May God continue to watch over us on the next step of our journey this year. I hope and pray that we will continue to connect and strengthen the amazing things that we already do as a community of learners.

PLEASE EXTEND THE INVITATION

Help spread the word about our Open Day on May the 16th.

We are inviting prospective parents to join us first for Playgroup at 9.15am if they have a younger child and then we will be pleased to take families on a tour, followed by a light morning tea.
