Navigator College has developed the following Child Safe Policy as an overarching document that provides key elements of our approach to protecting children from abuse, grooming and neglect.

This Policy forms the foundation of the College's policy framework, procedures and practices, and ultimately the College's culture with respect to child safety. It is designed to be Navigator College's public statement of commitment to child safety and a demonstration of the College's leaders' commitment to champion child safety in our College.

The Policy is reviewed every two years, in light of experience, the effectiveness of procedures and the publication of relevant research.

This Policy is published on our public website, as well as communicated through other media such as newsletters, our annual report and in induction and handbooks for members of the College Council, Staff, Volunteers and Visiting Professionals, Contractors and External Education Providers.
